Braces and Supports

LEADERTM braces and supports. Trusted Brand. Top Quality.

LEADERTM braces and orthopedic supports are carefully selected top selling styles of neoprene and elastic supports. Complete with attractive upscale packaging, LEADERTM Braces and Supports are merchandised within well planned 3 to 6 foot sections. Help maximize store profits and consumer savings by merchandising our affordable alternative to the national brand, or use as the main category anchor and differentiate your store from the chain competitors. Each support is designed to provide optimum therapeutic performance.

- Adjustable fit products
- Highest quality neoprene and elastic supports
- Optimum product mix in 3, 4, 6 ft. sections for pharmacies, HHC and DME stores
- Premium point of sale packaging presence

LEADER™

Ankle Support Gel Hard Shell

- Compare to Ace/Futuro
- Gel provides a comfortable contoured fit around the ankle
- High impact shell minimizes rolling of ankle without limiting plantar and dorsi-flexion
- Molded plastic shell is tapered for a comfortable fit in most shoes
- Fully adjustable, movable straps can be positioned and trimmed for customized fit
- Fits left or right ankle
