

## External Male Catheters

**Coloplast**

**Active Cath® External Catheter**

- Latex, self-adhering, one-piece catheter designed for extended wear
- Combines a shortened latex sheath with a wide adhesive seal
- Short sheath minimizes roll at base of catheter
- Applies simply by rolling it on—no need to apply adhesive tapes
- Latex provides a soft and durable sheath

M

CIN	Mfr. No.	Description	Size	Qty.
1791201	8300	Medium catheter	28mm	1/ea
2536423	8305	Intermediate catheter	31mm	1/ea
